WRIT PETITION No.7277 OF 2005

O R D E R :

This Review WPMP is filed to review the order of this court dated 13-6-2005 passed in WP.No.7277 of 2005.

The main writ petition was filed to declare the action of the respondents in not permitting to collect the daily rents from the vendors in spite of accepting the lease amount offered by the petitioner by passing a resolution by the second respondent, the standing committee on 28-3-2005 thereby causing irreparable loss to the petitioner as arbitrary and illegal.

On the submission made by the learned standing counsel for the respondents that during the pendency of the main writ petition, the respondents have granted the lease in favour of the petitioner to collect the daily rents for the year 2005-2006.

In view of the submission made by the learned standing counsel, this court observed that the purpose of filing the writ petition is served and no further orders are required to be passed in the main writ petition.

Now the revision is filed by the petitioners-respondents contending that this court was misguided that the review petitioners-respondents was granted lease in their favour and further the writ petitioner was not an auction purchaser and he has no right to collect the market fee of the market in Guntur Municipal Corporation. Further there is no such grant in his favour by the Corporation and he cannot continue as lessee of the Corporation to collect market fee.

It is not the case that the Corporation has not passed any resolution to continue the writ petitioner as lessee of the Corporation. Moreover, the counsel for the writ petitioner submitted that he has completed seven months and it is going to completed by the end of March 2006. Therefore, I consider it appropriate not to entertain the review and it is left for the Corporation to take possession after expiry of the lease period of the petitioner in March 2006.

In view of the above, the Review WPMP is accordingly dismissed.
